

Overview travel grants

(Last update September 2018)

With this overview we would like to support you in your search for financing possibilities for travel expenses to conferences. The compilation is not exhaustive.

Name of the Foundation	Funding Area
University of Rostock - Program for Women Professors	Fund for the advancement of women in science. Short-term scholarships and subsidies for material resources
Scholarships independent of subject	
German Academic Exchange Service	The German Academic Exchange Service offers travel grants for conferences and more.
Fazit Stiftung	The Fazit Stiftung offers travel grants for doctoral candidates. No specific specialisations indicated.
Minerva Stiftung	Minerva Short-Term Research Grants are available for all subject areas and are open to applicants from all research facilities (in Israel - public or governmental research institutes) and universities in Germany and Israel.
Subject-specific scholarships	
Herbert und Elsbeth Weichmann-Stiftung	„The foundations exclusive and direct purpose is to remind of the operation of democratic opposition in exile opposing Hitler's totalitarian dictatorship and of the effects of this operation on postwar Germany and to maintain this memory for future generations.“ (§ 2, para 1 of the statutes of the Herbert und Elsbeth Weichmann Stiftung).
Stiftung Zeitlehren	Travel and research grants, Fields of Research: Modern and Contemporary History (incl. European History of Modern Times and Non-European History)
ADAMAS Stiftung Götz Hübner für interkulturelle Studien	Foundation goal is to initiate and promote scientific and literature projects that work on the mutual relationship of German and Polish and German and Greek literature. Here, literature representations of the history of the involved countries and their mutual relationship shall be in the focus. This, again, shall be particularly supported by intercultural studies on the "saddle period" prior to, during and after the French revolution and on gaining a new European identity after the historical breaks of the 20 th century.
Fritz Thyssen Stiftung	Financial resources can be applied for from the Fritz Thyssen Foundation to defray travel expenses that are directly related to a project in the humanities, social science or biomedical fields.
Erwin- Riesch-Stiftung	Particularly relevant for the fields biochemistry and clinical chemistry, physiology included.
Glaxo Smith Kline Stiftung	Funding of biomedical research, e.g. travel scholarships

Name of the Foundation	Funding Area
Boehringer Ingelheim Fonds (Stiftung für medizinische Grundlagenforschung)	The Boehringer Ingelheim Fonds promotes junior scientists (doctoral students) who implement experimental projects on biomedical basic research by providing travel grants.
Alzheimer Forschung Initiative e.V.	Trips to conferences on methods and mechanisms related to Alzheimer disease are promoted.
Anemarie und Günter Haackert Stiftung	Foundation goal is scientific further education of young German-speaking researchers in the field of prenatal medicine. Travel scholarships for a further education event outside Germany are provided here.
Dr- Liesel- Keinath- Stiftung	Its foundation goal, the promotion of science and research in the field of rheumatic diseases, is implemented by the foundation by awarding travel grants to junior scientists who intend to enhance their knowledge in the field of rheumatic research abroad.
ESG-Nano - Erwin Schrödinger Gesellschaft für Nanowissenschaften	travel grants to support participation in international scientific conferences
Gesellschaft Deutscher Chemiker	The expert team Analytical Chemistry supports the activities of junior scientists by offering various scholarships. Particularly young expert team members shall be enabled to attend conferences, seminars and workshops within the scope of their education.
