

Course Information

EU-CONEXUS Minor courses Autumn 2024-25

Course		
Course name and code	Minor	Physical mobility and dates
1.2. Aquaculture AUA	Blue economy and growth	yes
2.1 Fisheries UNIZD	Blue economy and growth	
5.2. Marine Biotechnology UCV	Blue economy and growth	
6.1. Introduction to Microbial Biotechnology UNIZD	Blue economy and growth	
7.1 Bioenergy and Waste to Energy UROS	Blue economy and growth	
10.1 Sustainable Development of the Maritime Economy KU	Blue economy and growth	
11.2. Energy Transition in Shipping: Liquid Natural Gas KU	Blue economy and growth	Yes, in October
12.3. Sea Transport Development and Logistics KU	Blue economy and growth	
16.1. Introduction to Environmental and Resource Economics UROS	Blue economy and growth	
10.7. / 14.2. Entrepreneurship UNIZD	BOTH	
1.1. Hydrobiology-Planktology AUA	Coastal development and maritime sustainable tourism	
2.1. Protected Areas and Recovery of Species UCV	Coastal development and maritime sustainable tourism	
2.2. Coastal Zone Management KU	Coastal development and maritime sustainable tourism	
3.1 Geographic Information Systems and Remote Sensing UTCB	Coastal development and maritime sustainable tourism	
4.1. Environmental Education UCV	Coastal development and maritime sustainable tourism	
4.2. Pollution / Depollution (water, air, soil) UTCB	Coastal development and maritime sustainable tourism	Yes, 28/10 - 01/11
8.3. Management of Smart Coastal Cities KU	Coastal development and maritime sustainable tourism	
13.1 Environmental Impact Assessment UCV	Coastal development and maritime sustainable tourism	yes, 30/09 - 4/10
14 Sustainable Built Environment UTCB	Coastal development and maritime sustainable tourism	
13.1. Environmental Impact Assessment UCV	Coastal development and maritime sustainable tourism	

6.2 Effects of Climate Change on Coastal Areas AUA	Coastal development and maritime sustainable tourism	NOT OFFERED
8.1 Coastal Geography (practices, stakeholders, conflicts, governance) LRUniv	Coastal development and maritime sustainable tourism	NOT OFFERED
6.3 Modern and Innovative Insight on Industrial Microbiology and biotechnology LRUniv	Blue economy and growth	NOT OFFERED
13.1 / 10.2 Sustainable Tourism Development AUA	BOTH	NOT OFFERED
