

Registration in the application portal for international prospective students

You have been admitted to study at the University of Rostock.

The user ID will be sent in a separate welcome e-mail.

Please log in to the online portal.

Choose the button on the right side to change the language.

The screenshot shows the 'Online-Portal' interface. At the top, there is a navigation bar with tabs for 'Startseite', 'Bewerber:innen', 'Studierende', and 'Fachprüfer:innen'. Below the navigation, a welcome message reads: 'Willkommen im Online-Portal der Universität Rostock'. To the right, a 'Portalauswahl' (Portal Selection) section contains three cards: 'Bewerber:innen' (Applicants), 'Studierende' (Students), and 'Fachprüfer:innen' (Specialist examiners). A 'Deutsch' language selection button is located in the bottom right corner.

Use the "Lost login data?" function under the "Applicants" tab.

The screenshot shows the 'Online Portal' with the 'Applicants' tab selected. The main content area includes a 'Welcome to the application portal' message, a 'Self-Registration' section with a 'Register now!' button, and a 'Login' section with fields for 'User name' and 'Password'. A 'Help & Contact' section provides contact information for the 'Studierendenservicariat'. At the bottom, there is an 'Information for students of the University of Rostock' section.

Enter your user ID and your Date of birth (dd.mm.yyyy) as well as the answer to the security question. After this click on "Request access data".

Your login data

Dear user,
In case you forgot your user name and/or your password, you have the possibility to request your access data here. Please enter your user name or your email-address and your birth date, and answer the security question. Then follow the steps on the following sites.

Request your access data

* User name or e-mail address

* Date of birth

Security question

In order to ensure that the request was made by a person and not by a spam machine, please enter the letters or numbers from the query below in the answer field.

Security question (Captcha)

* Response to the security question

[Request access data](#) [Cancel](#)

Your securitycode must be noted:

You are here: [Home](#)

request passwordchange

 Please follow the next Steps to rewrite your password. Please note the following securitycode:

Your securitycode

Securitycode:

 In case of valid user name and registered e-mail address you will receive a e-mail with a link, to a website where you can change your password. Via this link you reach a page where you can change your password.

You will receive an e-mail „Your access to your university portal“. Click on the link provided there.

Make a note of the security code and assign a password. The password must contain at least eight characters, a special character, upper and lower case letters and a number. Use the button „Change password“.

You are here: [Home](#)

Request access data

 Please enter your security code and your new password.

Set a new password

User name

* Security code

 Your password must be at least 8 characters long and consist of upper and lower case letters as well as at least a digit and a special character. A special character is any character that is not a letter, underscore (_), space or digit.

* New password

Click on „to startpage“ to return to the main page. You log in under the tab “Applicants” with your user ID and the password you have just chosen.

Online Portal

Mainpage **Applicants** Students Specialist examiner

Welcome to the application portal!

The application portal can be used by students who already achieved a German degree or university entrance qualification during the given deadlines for all degree programs.

Non-German prospective students without any German higher education entrance qualification or first professional degree in Germany should apply via [uni-assist](#). If you would like to apply for a [Master's programme with assistant admission](#), please use this portal directly.

Self-Registration

Perform self-registration

Hello all Applicants,

The online application consists of two steps. First, we need to get to know you and an email will be sent containing your registration access information. Please follow the instructions in the email to activate your access.

Secondly, select the course of studies you want to take, and complete not only the personal information, but also the extra information that is required to increase the chance of getting the course of studies of your choice.

 Register now!
Here you can sign up and choose your password.
